THE CHINESE PUZZLE.

The gay marine said to his girl:
"The words I speak are true,
That when I go to war again
I'm going to Taku."

"But," quoth the maid, "I cannot go;
It would not do, you see.
Is there no place for girls—that war,
So how can you take me?"

"I will not," said the gay marine,
"Yet what I say is true;
When next I go to war, I swear
I'm going to Taku."

And still the maiden shook her head
And did not understand;
She had not learned the names of things
In far-off China land.

There were three accidents at the new Glascock Building inside of thirty minutes yesterday afternoon. Contractor Ike M. Lane ran a nail in his foot, William Ohlinger dropped a hatchet on his instep, cutting a severe gash, and Boyd K. Muse had a scaffold give way, letting him down about seven feet in a hurry. Fortunately, each was not seriously hurt.

Mr. W. R. Madison, the urbane and efficient Manager of the Sun Life Insurance Company of this city, leaves today on a prospecting tour of the state of Texas, his objective point being the city of Waco in that state. It is possible that Mr. Madison may locate in the Lone Star State and pursue the same line of business in which he is so eminently qualified and which he has so successfully built up for his company in this city. In such an event Maysville will be deprived of a splendid gentleman and a fine man of business, but he will take with him wherever he goes the high esteem and best wishes of a host of warm friends.

MRS. LIZZIE ROSS.

Her Death at Covington Last Night—Interment in Maysville.

A brief announcement just as THE LEDGER goes to press conveys the sad intelligence of the death of Mrs. Lizzie Ross, wife of Mr. Robert C. Ross, which occurred last night at her home at Covington, aged 66 years.

Her maiden name was Miss Lizzie Gurney, the daughter of the late Thomas Gurney of this city, and she was raised in Maysville.

The family moved from this place to Covington some thirty years ago.

Besides her husband she leaves an only daughter, Miss Mayme Ross. The remains will be brought to this city for burial.

THE OLD SETTLERS.

Secretary Degman Furnishes The Ledger With a Report.

The twelfth annual reunion of the Old Settlers of Lewis, Fleming and Mason counties was held at Ruggles Camp-ground Wednesday, July 4th.

The exercises opened at 9 a. m. by singing "America," followed by prayer by Elder Grizzle. Dr. Bowman gave the address of welcome, after which the Declaration of Independence was read by W. H. Thomas. Judge A. E. Cole of Maysville then gave a very pleasing and patriotic address not only to the Old Settlers but to the young as well.

Elder Porter of Maysville then took the floor and entertained the large crowd with a spicy and interesting speech, after which an intermission of two hours was taken for dinner.

Spreads, delicious and tempting, in every direction under the grand old trees and the happy greetings of friends constituted this time a veritable love feast.

The afternoon exercises opened at 2 o'clock by the election of officers for the ensuing year. President Tolle, because of failing health and the infirmities of age, refused to become a candidate and Mr. Ambrose Owens of Lewis was elected President; Robert Marshall of Fleming county and C. O. Degman of Mason county, Vice-Presidents; Baker Trusell of Lewis county, Treasurer, and C. C. Degman, Secretary.

Elder Newlin of Tolleboro gave an excellent address, after which Dr. Bowman gave one of his characteristic and always interesting speeches.

"The Mocking Bird," with guitar accompaniment by Mr. Forest Lee, was very pleasing. Prof. and Mrs. Hurst, assisted by Miss Gierhart and Ralph String Band, interspersed the exercises with delightful music.

Among those who materially added to the enjoyment of the day with solos and recitations were Master Willie Rummans, Misses Aurora Ruggles, Lulu Pollitt, Carrie Gierhart, Dee Beckett, Nellie Harrison, Maggie Rigdon and Mrs. A. D. Hurst.

NOTES.

Between four and five thousand people were present.

The Tabernacle was handsomely decorated with flags and flowers.

The two most important points in character and Nation building, as brought out by each of the speakers of the day, is patriotism and reverence for the aged.

The Association has lost by death during the year the following members: John Davis, aged 89; Mrs. John Davis, aged 81; Joseph Bailey, aged 80; John Horner, aged 85; David Craig, aged 75; William Roberts, aged 76; George Jordan, aged 64; Alfred Nash, aged 66; A. J. Toneray, aged 60; Mrs. M. E. Stubbins, aged 65; Henry Hinton, aged 60; Marmaduke Tolle, aged 70; Jonathan Truesdale, aged 82; Mrs. Carrie Davis, aged 54.

C. C. DEGMAN, Secretary.

Heartburn.

When the quantity of food taken is too large or the quality too rich heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating, indicating that you have eaten too much, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. For sale by J. Jas. Wood & Son, Druggists.

Men's Rally at Y. M. C. A. tomorrow afternoon at 4 o'clock led by Mr. I. M. Lane. All men welcome.

After completing her kindergarten work at Chautauqua at Lexington, Miss Grace B. Wisenall of Covington will go to conduct a class at Northampton, Mass., thence to three Chautauquas in the state of Maine.

John Pendergrast, who was stabbed at Newport Wednesday evening, is now at the Betts Street Hospital, Cincinnati. He is under the care of Dr. Crawley, who says that Pendergrast is rapidly improving and will recover. The wounded man still claims that he does not know his assailant, and the police are working on the case.

A Good Cough Medicine.

Many thousands have been restored to health and happiness by the use of Chamberlain's Cough Remedy. If afflicted with any throat or lung trouble give it a trial, for it is certain to prove beneficial. Coughs that have resisted all other treatment for years have yielded to this remedy and perfect health been restored. Cases that seemed hopeless, that the climate of famous health resorts failed to benefit, have been permanently cured by its use. For sale by J. Jas. Wood & Son, Druggists.

Deafness Cannot Be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Pecor.

STOCK TOO LARGE TO MOVE.

We are positively offering goods at prices that I will guarantee lower than can be had anywhere. My entire stock at sacrifice price. We have two reasons for the sacrifice. We don't want expense of moving stock. Secondly we will need a large amount of money to pay for our new building.

MURPHY, the Jeweler.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.

SHIRT WAISTS!

It is said the shirt waist has come to stay. It's certainly not the case with these. Their daintiness, newness and attractiveness will soon scatter them. Cool to wear, refreshing to see, giving a woman a certain chicness and charm that makes her good to look upon. Made of white lawn. \$1 to \$5.

MUSLIN UNDERWEAR!

Especially in demand at this season. Made of carefully selected materials. Neat sewing with the good taste of home-done work all the way through. CORSET COVERS, 9c to \$1. SKIRTS, \$2.75, \$4.50. DRAWERS, 25c to \$2.50. GOWNS, 50c to \$5.

THE BEE HIVE

LADIES' AND CHILDREN'S
SAILORS At Less Than Cost.

Our policy is to make this a busy instead of the usual dull summer month. Great reductions on seasonable goods will be found throughout our entire large stock. We mention the Ladies' and Children's Straw Sailors as an instance. Hats that were marked 90c and 75c are reduced to 50c. The 50c kind are now 35c, and those that were 35c and 30c are marked 25c and 20c. It's a great chance if you or yours need a sailor.

GREAT BARGAINS IN
MEN'S SUMMER SHIRTS.

This is the season that a perspiring man looks for comfort in the way of Shirts. We can help him along for but little cost. Mark these two special leaders: Silk-front Negligee Shirts, splendid washable fabric, sold elsewhere at 75c and 80c, are priced here at 50c. Bedford Cord Soft Shirts, decidedly cool, comfortable and durable; worth fully 75c, for this week only 30c.

A WONDERFUL
SEASON FOR LAWN!

We would not like to waste the number of yards of Lawns we have already sold this season; you'd think we were exaggerating. And still the rush continues, and new ones reach us every week; several more cases on the road now. A very recent arrival is a fine figured Dimity that should sell for 25c, but marked here at 15c. Prices on Lawns range from 4c to 50c a yard, advancing by easy stages. Our stock is still large and select.
